**NEW:** Please note that, with the change to the Bronze/Silver/Gold Divisions instead of Elementary and Middle School Leagues, players in each division are more likely to be closer in age and ability level. Each division will also play only one night per week. We realize that many of our athletes have a busy schedule with school functions, church activities, and other personal time commitments each week. So, we have revised the Youth Volleyball schedule to allow girls to play volleyball while reducing the chance that they will have scheduling conflicts, and therefore risk a forfeit if their team doesn't have enough players for a game. However, this will be determined based on registration numbers, and is subject to change.

**Additional league details will be available at the start of registration in August.** Both the Silver and Gold Divisions will have a Skills Assessment in mid/late August. Skills to be evaluated include bumps, sets, spikes and serves. During the evaluation, everyone should be in appropriate volleyball attire (t-shirts, shorts, knee pads, tennis shoes). We will not allow a great deal of time for warm-ups, so we ask everyone to stretch on your own on the sidelines prior to your time on the court. We also ask as you enter the gym, please keep your voices low so those who are already on the court can hear the instructions being given to them. These are not tryouts, and nobody will be cut. So, just relax and give it your best!

Should you have any questions, please call 770-716-4320 or email [recreation@fayettecountyga.gov](mailto:recreation@fayettecountyga.gov).

Sincerely,  
FCRD Staff
